THE VIDEO GAMES MENTAL HEALTH CHARITY

“One in four people in the world will be affected by a mental health condition and 20% of all the world’s children have mental health issues.”

- World Health Organization

The **worlds** that we **create** are a refuge for some of the most vulnerable people. For some, it's an **escape** from the **reality** they live in. For others, it's their **passion** and career.

Safe In Our World is a video games **charity**, whose mission is to foster **positive mental health** wellbeing and deliver **support** for not only our **players**, but also our **teams**. Our goal is for the **industry** to come **together** and start a **conversation** that can **change lives**.

You will be part of a select team of people that we rely on to help spread awareness!

Ready to join?

STEP 1

Contact us, sign up and commit to help eliminate the stigma around mental health!

STEP 2

Share Safe In Our World posts across your social channels, share our initiatives, and help spread awareness about our mission

STEP 3

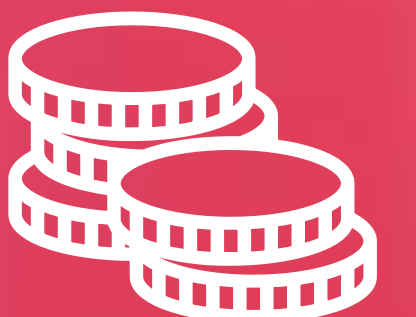

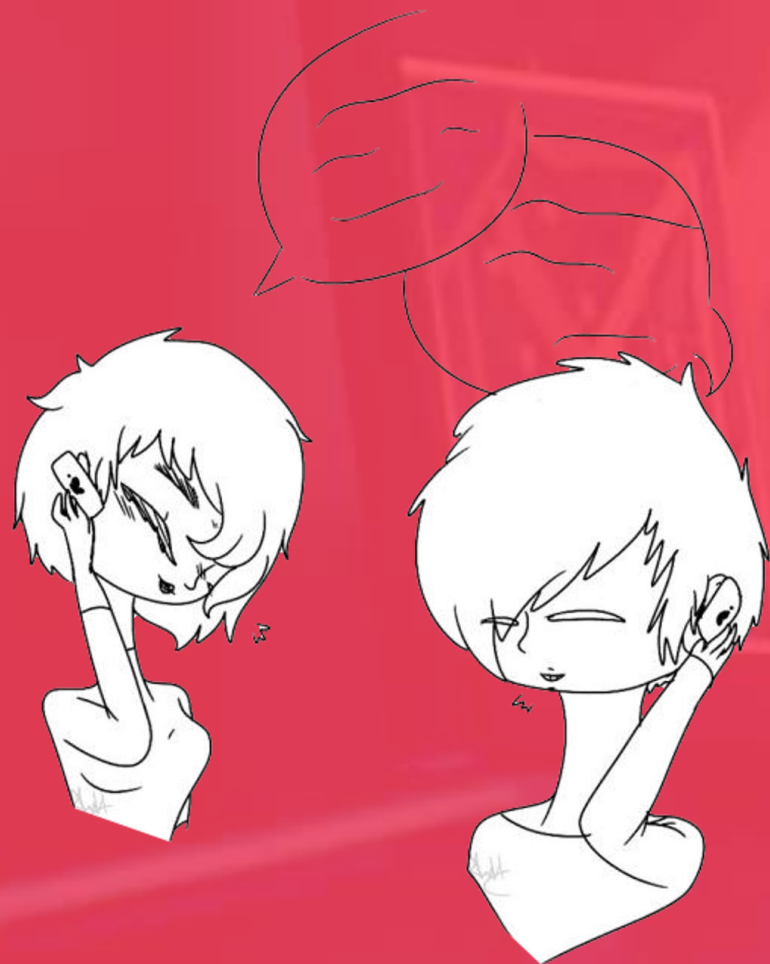

Consider sharing your own personal mental health journey and show other gamers or co-workers that they are not alone.

STEP 4

Think if there are any ways you could help with raising funds?

The Safe logo shows your team and community that you're recognized by Safe In Our World as playing your part to support their mental health. It's a badge of honor for you to display proudly.

Safe In Our World is an accredited charity supported by industry luminaries, veterans and ambassadors across the world, and its mission is to create an online destination where people can **seek help, gain access to **resources** and **information**, and discover **stories from real people** within and surrounding the games industry. Safe in Our World aims to enable conversations by **destigmatizing** the mental health conditions; helping a generation of creators, professionals and players come together in **support** of each other.**
